“THE EXPERIENCE OF A LIFETIME”

This is how students have described their English Language and Football Camp. Our two week camps are crammed full of fun, football and education, providing a summer study break in England that will be remembered forever.

FOR 8-17 YEAR OLDS

Students receive football coaching from the world-famous Manchester United Soccer Schools. No matter what their ability, students undergo a comprehensive course covering the technical, tactical, physical, mental and social elements of the game in a fun and friendly atmosphere.

Our English lessons are delivered using a unique sport themed syllabus. The interactive lessons cover grammar and vocabulary, but also place a large emphasis on authentic conversational English.

After a day of football, there's a chance to socialise and enjoy activities with students from across the globe in the players' lounge. Here, students can relax and watch TV, play futsal, table tennis or compete on games consoles. This is a great opportunity to experience different cultures, make friends and gain social confidence.

"I thank the staff at MUSS for their competence, affection and dedication to my son during these past two weeks. He spent some incredible moments with you. Thank you very much!"

Renata Vitor, 2014
(mother of a Bradfield student)

Student welfare is our top priority. We understand the needs of young people travelling away from home. From the time they arrive to when they are safely checked in for their flight home, our students are well looked after, motivated and happy. They discover England, stay active and speak English - the perfect combination for a study break.

ENGLISH LANGUAGE LESSONS

Our English language classes are unique; students are motivated to develop their English language with the same enthusiasm they have for football.

- Students per group: **average 14**
- Students grouped by: **English language ability**
- English tuition per week: **12.5 hours**
- Conversational English during football and other activities: **20 hours**
- Skills covered: **Speaking and listening, reading, writing, vocabulary and grammar**
- Support materials provided: **personal workbook and end of camp reports**

Lessons are delivered in an interactive, task-based format and are supported by an extensive range of teaching materials. Highly qualified, enthusiastic teachers with native-level language skills motivate and engage students.

Students take a language entry test, which is used to place them in an appropriate class. At the end of camp a final exit test is taken, which demonstrates the extent of the learning achieved. Students are encouraged to take their workbooks, projects and

completed tests home to show parents, teachers and friends.

Each student receives an individual assessment with advice on how to further develop their language skills.

The project work in our most advanced classes helps students to prepare for examinations such as IGCE, IELTS, Trinity and ESB. The focus on communication skills also helps to prepare students for the full range of Cambridge and Trinity examinations.

FOOTBALL COACHING

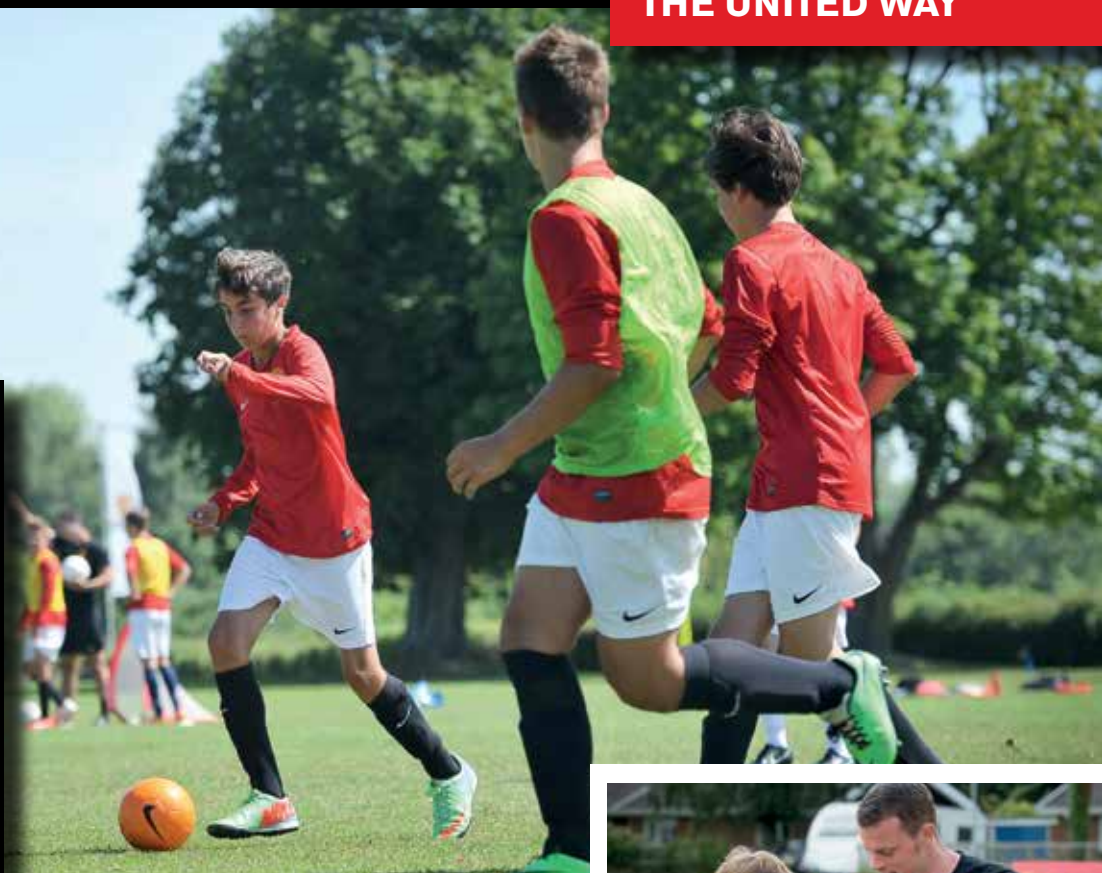

**LEARN TO LIVE,
TRAIN AND PLAY
THE UNITED WAY**

We teach players how to build up a range of skills, movements and techniques comparable with Manchester United's 1st team training.

- Students per group: **maximum 16**
- Students grouped by: **age and ability**
- Dedicated coach: **each group has the same coach throughout the camp**
- Football coaching per week: **20 hours**
- Kit provided: **2 Manchester United Soccer Schools training shirts, 2 pairs of shorts, 2 pairs of socks, 1 waterproof jacket, 1 water bottle and 1 bag**

The coaching is designed to allow the development of skills in a fun and exciting way that constantly challenges and motivates players. We help players develop the courage and confidence to express their ability in games, as well as to understand and learn from their mistakes.

The camps represent a truly international soccer environment, with English being the spoken language for players from more than 60 countries.

FREQUENTLY ASKED QUESTIONS

Will my child get spotted by Manchester United and become a Manchester United player?

The objective of every Manchester United Soccer Schools camp is for all players to achieve success regardless of ability. Camps are not designed for talent identification. However, players will leave with the knowledge and skills to continue to improve.

How does the football coaching work?

Camps are open to players of all abilities. The MUSS coaches are UEFA/FA qualified and trained by Manchester United. All players play within specific age groups with a maximum of 16 per group. Each group has the same coach throughout the camp.

Can my child stay for more than 2 weeks?

Each camp lasts 2 weeks, so if students would like to stay for longer, they can book 2 successive camps and stay for 4 weeks.

Will my child meet any Manchester United players?

Unfortunately not. Manchester United players are either on tour or on holiday at this time of year.

Will my child need pocket money?

This is entirely up to you. All the food and accommodation is provided, along with all the excursions. Students may wish to bring some money for souvenirs and extra drinks/snacks.

How can I contact my child on site?

We recommend that each child brings their own phone. The camp will have an emergency contact phone and you will be provided with the number before the camp starts. You can

also monitor updates from the camp on our twitter and facebook accounts.

What happens to my child's passport and valuables?

We ask for passports, tickets, money, phones and valuables at camp registration. All valuables are kept in the camp 'bank' and phones and money are given out at specific times each day.

What happens if my child is unwell or injured?

Our staff will assess the severity of the child's condition. We carefully monitor any sick children. Medically qualified staff will decide whether the child needs to see a doctor or needs treatment at the local hospital. If emergency treatment is needed, our staff will always accompany the child to a doctor or hospital. We will make every effort to contact parents/guardians quickly but if treatment is recommended by a doctor and we are unable to speak to parents we will consent to the treatment.

OTHER EXCURSIONS

LONDON (Ages 12 - 17)

WEMBLEY (All ages)

Home of the English national football team and the host of many famous football matches, including the FA Cup Final, Wembley Stadium boasts a rich sporting history. Students will explore the Stadium in an exclusive tour.

CHESSINGTON WORLD OF ADVENTURES AND DRAYTON MANOR (Ages 8 - 11)

Junior students will attend a trip to one of the UK's biggest and most visited theme parks, featuring a wide range of exciting rides and adventures.

PASTORAL CARE

Taking care of your children is our number one priority. We aim to provide every child with the support and reassurance they need. We know that for many children this is the first time they have been away from home and the first day or two can be anxious for both children and parents. This is why we have three teams of staff on our camps to provide care at all times.

Keep up to date with your child's camp experience on our social media, which will be updated daily.

MUSS COACHES

Look after the children throughout the football coaching programme and on the Old Trafford excursion.

ENGLISH TEACHERS

Look after the children in the classroom and assist the pastoral care team at other times: early morning, at meal times, at bedtime and on the London excursion.

PASTORAL CARE STAFF

Look after the children at all other times. All our staff live in the same accommodation as the children. Pastoral carers and qualified medical staff are on call 24/7. They are accessible to every child, ready to provide help, advice and reassurance whenever needed.

TAKE THE MEMORIES HOME!

As well as returning home with an English language workbook and Manchester United Soccer Schools football kit, every player has the opportunity to buy a souvenir photograph of the camp for £25.00.
