ACADEMIC ENGLISH

10 hours per week.

The morning Academic English session develops the students' English language proficiency across the four skills with a particular focus on the forms of English which are used and encountered in university settings. These include essay writing, note-taking, lectures, seminars and presentations.

COMMUNICATION SKILLS

5 hours per week.

These sessions prepare students for life in Higher Education through highly practical workshops that enable more effective methods for high-level oral and written communication. This will be delivered through a wide range of professional and academic contexts.

These lessons develop students' ability to work confidently in a professional English-speaking environment and improve their style, technique and accuracy when producing written content for academic and formal purposes.

ACADEMIC PATHWAYS

10 hours per week.

The Academic Pathways lessons are themed according to the specific pathway that the student has chosen, and provide both an introduction to their chosen discipline as well as the language skills necessary to develop their understanding of it. The classes develop students' abilities to work confidently in English-medium academic environments and improve their style, technique and accuracy when producing written and spoken work.

Subject options for our Academic Pathways are:
Business and Economics, Humanities, Law and Science
