EVE	Welcome Games	Guest Lecture: Justin Ray on AI vs Original Thought	Activity: Sports at University Parks	Activity: 'Best of British' Quiz	Activity: Movie Night	Activity: Games Night	Formal Hall and Graduation Ceremony

Guest Lectures and Workshops

Each week, students will attend a Guest Lecture by a renowned scholar who shares their expertise and insight. These lectures are tailored to students' interests and academic levels. Lecture topics often include sharing cutting-edge research, a discussion of current events, or exploring the future of one area of academic study.

Small group tutorials

Teaching on the Pre-University Programme mirrors Oxbridge university learning in many ways, including small group tutorials. The tutorials are a key educational strategy that reflects the active, student-centered learning model of Bucksmore Education. This method encourages active exploration and autonomous learning whilst facilitating peer collaboration and team building.

Debate Society

Debate Societies are an integral part of University life. The debate sessions will give students the chance to explore and discuss a range of topics they are passionate about, outside of the subjects they are studying. They encourage students to develop strong critical thinking and analytical skills, plus building teamwork, leadership and communication skills.

Immersive University Experience

Students will get to experience life as an Oxford University student throughout their stay with us, whether they are attending guest lectures from inspiring speakers, in aspirational lecture halls and auditoriums, or graduating with a formal hall, to walking up in their University accommodation. The Pre-University Preparation programme provides an immersive and broad University experience.

University Preparation Masterclasses

These sessions help build essential skills for successful entrance to universities. Students will participate in masterclasses designed to connect their skills, strengths, and interests to potential careers. They will gain insights into the various types of universities and acquire a comprehensive understanding of the full application cycle for UK universities, including detailed guidance on structuring a personal statement.

Formal Hall and Graduation

Students will receive their graduation certificates and experience a traditional formal dinner at the University.
